Taurus 1911 45 ACP Commander

The Taurus 1911™ .45 ACP Commander with its 8+1 capacity, has a shorter profile than traditional full size 1911's with its 4.2" barrel but maintains a full size grip providing a positive grip purchase, making it perfect for carry, self defense or home use. The pistol features a monochromatic black on black finish, Novak® drift adjustable front and rear sights, checkered black grips and extended beavertail that offers comfortable shooting with great control. The Commander is easily customized as it is built with industry standard components.
